Well Term 2 started with a bang! I hope all of our families stayed safe this week, and that most of you have power again!

Our school app came in handy when the emails went down yesterday. I urge you all to go to the app store and download the app. We found it a quick and easy tool to send immediate messages to parents. We are aware that even though the message comes through to all who have the app some people (including me!) are not getting the “bing” or notification when a message comes through. You are able to touch the message button on the bottom of the screen however, and it will show you any messages that have come through. The P&C are working with the app creators to rectify this problem. Thank you to all our families for their patience and understanding this week.

If your child was absent on Tuesday or Wednesday due to the storms, there is no need to confirm this absence in writing as student absences will not be accounted for these two days.

ANZAC DAY
Some parents have enquired as to whether Monday 27th April is a public holiday. Monday 27th April is a NORMAL school day.

TERM ACCOUNTS AND PERMISSION NOTES
Term 2 accounts are coming home this week. Term accounts are due by Monday 4th May. Please return your blue permission note signed to your teacher immediately.

Thanking you

Mrs Leonie Gallard
School Administration Manager
This week’s topic from the **Live Life Well** Team is:

**Fresh Fruit and Vegetables – the green food**

Fresh fruit and vegetables are not only good for your health, but they are also good for the planet. Fruits and vegetables come in their own environmentally friendly packaging. Fruit or vegetable scraps can also be composted or used in a worm farm. You can also help the environment by choosing produce without foam trays or plastic containers.

**Selecting Delicious Fresh Produce**

Here are some tips on choosing the best fresh fruit and vegetables for taste and storage:

- select fruit and vegetables that feel firm, smell nice and look fresh
- small or medium size fruit make good choices for children
- choose vegetables that snap rather than bend
- avoid any fruit or vegetables that are limp, split or feel spongy.

VOLUNTEERS NEEDED

I know it can be hard volunteering at the school when you have younger children. I have a few mums coming into the uniform shop with their child/ren to trial for an hour or two one morning each this term to see if it works for them. If you think this might suit you and you would like to volunteer once a volunteer once a term please contact Kylie on 0414 728 392 to arrange a trail.

HATS

Hats are always available to purchase from the school canteen for $15 each.

Orders for uniforms can be placed at any time by completing an order form which is available on the website. Enclose your order in an envelope (with payment or credit card authority) and leave in the grey box at the school office. Uniform purchases can also be processed via Flexischools. Orders will be forwarded to your child in his/her class as soon as possible.

Welcome Back

Firstly, I am sorry to say the canteen has suffered a leak during this terrible weather, and has been unable to run during the first week back.

However, we are looking at getting it resolved and will keep you informed as to when service is able to start again. Flexischool orders have been cancelled until this time too.

Our apologies.

As the colder months approach I am looking to introduce more baked goods such as Anzac biscuits and hot chocolates which will be available before school and during recess for 3-6 classes. It will be $1.00 for hot chocolate and cheesie jaffles and $.80 for Anzac biscuits.

We will gradually phase out the frozen juice cups.
