Dear Parents

Our Commitment; Excellence, Innovation, Community

Last term I wrote to you congratulating Zac Newbold for his selection in the Australian Baseball Team for the World Titles in China. Zac was supported by students and has written a recount of the trip, in this Mona Mail, with his highlights to say thank you.

Staff News

Congratulations to Kylie Laing, who works in our Administration Office, on her appointment to the school. Kylie has worked as a temporary SASS Officer for the past three years.

Have You Enrolled for 2016?

Kindergarten enrolments for 2016 are being finalized, if you haven’t put in your enrolment form please do so as soon as possible. Our school is staffed on anticipated 2016 enrolments and planning for next year is starting soon.

Science Week @ Mona - Excellence

The study of Science and Science related areas is critical to a prosperous Australia. Our Kindergarten students were treated to a wonderful day of science experiments presented by our Academic partner, Macquarie University. Professor Mark Williams and Associate Professor Anina Rich from the Department of Cognitive Sciences, as well as the parents of Arianna in KDW and their colleagues, amazed our students with stunning experiments and illusions bringing Science to life for our Kindergarten students. My thanks to Mrs Jacqui Davies KD for coordinating this wonderful experience and our fantastic Kindy teachers.

In the context of this being National Science Week, the Chief Scientist, Professor Ian Chubb, wrote what I consider to be a superb article in yesterday’s SMH. It can be accessed at: http://www.smh.com.au/comment/science-at-core-of-human-progress-20150816-gj0121.html

Mona Vale Road Upgrade

The RMS is in the process of upgrading Mona Vale Road and the planned changes have been on their site and comments sort from the community. I have had a number of parents contact me concerned by the proposed removal of a turn right option at the corner of Emma Street and Mona Vale Rd. Parents have indicated that this has the potential to push traffic, wishing to head west up Mona Vale Rd, back towards Oliver Way and Bungan Street. While Samuel Street remains an option it is argued that it is a long way around to get to that round-about. I encourage you to have a look at the plans and comment where appropriate.

Whooping Cough

We have a suspected case of whooping cough in Year 6. There seems to be quite a few cases along the Northern Beaches at the moment. Please watch for symptoms and if in doubt please take your child to the doctor.
Student Representative Council

At the invitation of Pittwater Council, our SRC met with Council representatives last week to discuss student input into the design of the new Town Centre. Our students discussed the need for the Centre to be family friendly, accessible by all people of all ages and abilities and attractive. Congratulations on our SRC and Miss Fiona Kelsall, coordinating teacher. What a great opportunity for our students and what a great opportunity for Pittwater Council.

Athletics Carnival

Congratulations to Mrs Mel Stevenson and the Mona Vale staff for running our Carnival last Friday evening to ensure Mona Vale students had the opportunity to represent the school and the District Carnival. While it was a success in getting a Mona Team picked, many students did not attend for a variety of reasons. Our Motto is “Let Us All Participate” and with a return to a day Carnival in 2016 hopefully everyone will.

School App - Innovation

The success of our School App and at times instability of our email system have led the school to make the decision to use the App for all school communication from Term 4. During this term we will continue to refine its use to ensure a smooth transition in Term 4.

If you haven’t already downloaded our school app please do so as it provides great information for parents and is used by the school to keep parents informed of a range of school matters.

When I stepped off the plane in Taiwan the first thing I noticed was the smell and the heat. Every day the temperature was between 30 and 39 degrees. We stayed at a beautiful hotel called the Queena Plaza with all of the other teams that were participating in the World Cup. The countries that we were up against included Japan (ranked #1), Mexico, France, USA (ranked #2), Nicaragua, Russia, Brazil, Korea, Cuba (ranked #3), Chinese Taipei (ranked #4) and Venezuela.

I only met the whole Australian team when we got to Sydney airport, they came from Qld, Vic, SA and WA and we had our first training session together the afternoon that we arrived in Taiwan. Apparently the USA team had been training for 2 years together and the Chinese Taipei for more than that. So we knew we were up for a massive challenge.

Some of the kids we played against were huge and looked a lot older than 12 years of age. The shortest player in the USA team was 6ft tall and most of them had facial hair. The Cubans and Nicaraguans were even bigger and scarier, some with thick moustaches. The Russians all had blonde hair with mullets and rats tails. I got to know a lot of the players from the other teams quite well but my favourites were the USA and Chinese Taipei.

Highlights of the tournament included coming in as closing pitcher against the USA and I struck the first 2 out and the 3rd player was run out at first. I was pretty stoked with this and so were my coaches. Another highlight which was pretty special was that before every game we had to sing our National anthem and this made me feel proud to be an Aussie. There were times that I felt like a rock star because we got a police escort to and from the games and people were actually asking for our autographs.

At meal times we sat with the other teams which was a great way to get to know them because on the diamond we were like enemies but when we all got back to the hotel we were friends. I had a couple of my team mates go to hospital for dehydration and they were out for a couple of days/games and 3 were injured during play, a hit to the face, hit to the knee and I had a hit to the head but thank goodness I was able to continue playing. We were facing pitching speeds up to 136kms too, so when we got hit, it really hurt.

There was a local school that was designated to our team and were like our tour guides and would teach us about their country. They came to all of our 8 games and watched us play and cheered us on. My team had one free day so we went to their school, got given presents, had a traditional lunch with them, gave them gifts and did activities. Then we all went to a massive museum after the school visit where we had a great time looking at all of the sculptures and animals. It was a really interesting and fun day.

The final baseball game was USA VS Chinese Taipei and it was an amazing experience. Because baseball is the main sport of Taiwan the tickets were sold out in 20 minutes at a cost of $80.00 each. So with a crowd of over 11,000 people, it was a crazy atmosphere and I really enjoyed it. I was going for the USA and they won over Chinese Taipei 7-2.

The skill level of the tournament was amazing and as the youngest player of the team I was really happy with how I played. I learnt a lot and made a heap of new friends in Australia and all over the world.

I am so thankful for this experience and really hope I will have another opportunity to do something like this again.

World’s Biggest Classroom

MONA VALE RIDES A WAVE

Twenty-one Stage 3 students are coming together to create a recyclable artwork using a pre-loved surfboard from our local community. The exhibit theme is coastal sustainability. Our artwork along with many other schools will be displayed at Warringah Mall from the 5th of November to the 3rd of December.

Westfield Warringah Mall has been involved in the World’s Biggest Classroom program since 2013. The centre has worked in partnership with World’s Biggest Classroom to create innovative exhibitions each year. The exhibition will engage local schools in a celebration of volunteering and sustainable living. The program also aims to link students to the dynamic communal space Westfield Warringah Mall provides to the local community.

Stage 3 is asking the local community to participate in this exhibition by bringing to school a variety of recyclables. This can be anything from bottle tops, tiles, stones/pebbles and shells that may be used to create our surfboard mural. Please bring these to the 5L classroom to be sorted by Miss Legg. Thank you in advance and stay tuned for updates on the progress of our work!

Live Life Well

This week’s topic from the Live Life Well Team is:

Why is breakfast important?

- children who miss breakfast are often reported as having poor behaviour and poor concentration
- children who miss breakfast are often unable to meet their daily nutrient requirements
- children who miss breakfast are more likely to have a greater risk of being overweight or obese
- eating breakfast helps children learn and establish healthy eating habits early in life.

Quick and easy breakfast ideas

Make sure your child starts every school day with a nutritious breakfast that includes foods from at least two of the five food groups. For example:

- wholegrain cereal with milk
- fruit smoothie
- boiled eggs and toast
- slices of fruit with yoghurt
- raisin toast with sliced banana
- muesli, chopped fruit and yoghurt
- wholemeal crumpets with sliced banana
- grilled cheese and tomato on toast
- tinned baked beans and toast
- porridge with sultanas and milk
- tinned fruit and yoghurt
- rice or noodles with lean meat or vegetables

The Fathers’ Day Breakfast is fast approaching! Last year we made 930 bacon and egg rolls between 6 and 8:30am – do you think we can break that school record once again this year?!?! Payment via Flexischools will open early next week, but in the meantime we need volunteers!

The Fathers’ Day Breakfast is only possible with your generous support, so mums and teachers, we need 50 volunteers to help set up, cut up fruit and rolls, fry bacon, crack eggs and serve breakfast to dads and kids bright and early on Friday 4th September 2015. Coffee will be waiting for you, as well as a complimentary bacon and egg roll for all volunteers!

This year we are using our new school app for bookings.

**Step 1**: Go to the bottom row of tabs and click on the tab titled “Interviews”. You will see a page titled School Interviews (bit of a confusing title but it’s a third party provider).

**Step 2**: Put in the code for this event: HE5H4

**Step 3**: Register with your email address and follow instructions to select a shift. Once completed, you will be sent a confirmation email which also includes an option to send your shift straight to your calendar. If you need to change your shift, please follow the instructions in that email.

If you haven’t yet registered for the school app, now is a great time to do so! See the Mona Vale Mail for details.

If you have any questions about registering or about the shifts, please email me at events@monavalepspca.com.au

We are looking forward to another fun Fathers’ Day Breakfast!

This week the canteen is started a school wide campaign called EAT FRESH AND WIN.

For more information please check out: www.freshforkids.com.au

In our first week running the campaign it’s clear that this week the Kindergarten students have eaten most fresh fruit and vegetables in the school closely followed by the teachers.

I wonder what will happen next week!

**Help:** We are getting super busy in the Canteen with the lunch orders increasing daily. If you are able to spare a morning – it would be great to see you in the canteen – no experience necessary! Dads welcome too! More volunteers = more lunch orders.

Book Club

Dear students, parents and grandparents

Issue number 6's catalogues have now gone out to all the students. This is the last Book Club for this term.

You can place your child's order through LOOP, Linked Online Ordering and Payment, or hand in the orders to me.

If you chose the LOOP system, you pay with your credit card over the internet.
Please, do not give me these orders in order to avoid me ordering the same items!

If you chose to pay by cash or cheque you will need to hand these orders to me.
We now have a Book Club mailbox in the front office, so please put your order in this mailbox.

To place your order, via LOOP, you log in to:

Due date for all orders is Monday 24th August.
Please, make sure you place your order before this date.

The Book Club closes on this date and if you place your order after you will have to pay an extra fee of around $7.50 to get it mailed out to your home.
Scholastic has set it up that way so as when the Book Club issue is closed the warehouse pack and make the delivery in 'one go' rather than in an ongoing arrival of boxes.

If you place your order over the net please make sure you put your child's class on the order. The items might otherwise go to the wrong class. If you cannot find your child's class just scroll down and you will find it. All classes are there.

Any questions, please do not hesitate fo contact me.
Good luck and remember to read, read, read and read!

Best regards
